### Part 2: Score Enhancement - The Balls

Expecting nobody would be overly competitive in the FUN race, the Committee Boat, Cattywampus, tempted the competitors to navigate VERY close to their boat after the finish to attempt to deposit 3 balls in a fishing net held by a crew member. Minutes were deducted from the boat's time for the balls caught in the net:

Wiffle Balls: - 3 minutes

Mini Footballs: - 2 minutes

Tennis Balls: - 1 minutes

They were given 1/2 credit if the balls landed and stayed on the committee boat.

### Part 2: The Twist

Cattywampus served as Committee Boat for the 2023 AFR because the 2022 winners, Eclipse, were at an important family celebration. Crew members of Eclipse sailed in the AFR and had line honors. They were awarded a special score enhancer for competing as last year's winner.
